## Ecuador Tour

Galapagos Island  
Extension

Suggested Itinerary  
5-Day / 4-Night Program

**SUGGESTED PROGRAM**

**PLEASE NOTE:** All times are approximate and may vary according to flight schedules.

**Day 1      Guayaquil – Galapagos Islands**

Morning      Breakfast at hotel and check-out.  
Transfer to the Airport for your two-hour flight to the Galapagos.

Late Morning      Arrive at Baltra Airport on Seymour Island, a small island just north of Santa Cruz Island, which will be your main base during your visit to the Galapagos.  
Transfer by private air-conditioned motorcoach to your hotel for check in.

***Galapagos Islands are divided into four groups. Northern, southern, western and central. In this islands you can appreciate firsthand how animals have evolved differently from each other, as Charles Darwin did when he visited the islands and inspired him to write the famous Theory of Evolution.***

Afternoon      **North Seymour Island**

You will be transferred to the island to walk on the visitors trail, which is approximately 2km long. Along the way you will have the chance to appreciate colonies of blue-footed birds, and

frigate birds. After the walk through the inland, you will reach the rocky coast, where you will be able to see sea-lions surfing the waves, or marine-iguanas walking right by you.

Return to your hotel.

## Day 2 Galapagos

Morning Breakfast at Hotel.

Morning & Afternoon

### Santa Cruz Highlands

Travel to the Santa Cruz highlands to visit the Rancho Primicias reserve, where you will see the Giant Tortoises in their natural habitat. A stop will be made to view Los Gemelos (Spanish for "The Twins") great depressions of sunken lava formed thousands of years ago.

## Day 3 Galapagos

Morning Breakfast at Hotel.

Morning & Afternoon

### South Plaza Island

Spend the day exploring this fabulous island, formed by **volcanic lava** that emerged from the ocean floor. This island contains the largest population of **land iguanas** in the Galapagos. South Plaza is also home to a large number of animal species and plant life, like the famous **prickly pear cactus**, set in probably the most photographed scenery in the island.

Return to your hotel.

## Day 4 Galapagos

Morning Breakfast at Hotel.

Morning &  
Afternoon

### **Charles Darwin Research Station**

This research station is run by the Charles Darwin Foundation. Its mission is to provide knowledge and assistance through scientific research and complementary action to ensure the conservation of the environment and biodiversity in the Galapagos Archipelago.

## **Day 5 Galapagos – Flights**

Morning Breakfast at Hotel.

Morning Check out from hotel.

Transfer by your private motorcoach to the Airport for your return flights home.

Evening Arrive back in the U.S.

**Your Music Adventure comes to a close with great memories to cherish for a lifetime !**
